

ST ALBANS CRICKET CLUB

ANNUAL REPORT 2020/21

Draft v2.1

St Albans Cricket Club

Notice is hereby given that the

117th Annual General Meeting

of the St Albans Cricket Club Inc.
at the St Albans Cricket Club pavilion, Hagley Oval,
South Hagley Park, Riccarton Avenue, Christchurch

on

Monday, 13 September 2021 at 7pm

Business:

1. To receive the Minutes of the 2020 Annual General Meeting;
2. To consider and adopt the 2020/21 Annual Report and Accounts;
3. Election of Officers and Management Committee for the 2021/22 season;
4. Notice of Motion

That the club levy the following levels of subscriptions (GST inclusive) for the 2021/22 season, namely:

- a) *Adult Men:*
\$320 to be paid by 30 November 2021;
- b) *Adult Women:*
\$250 to be paid by 30 November 2021;
- c) *Adult Afternoon Grade:*
\$290 to be paid by 30 November 2021;
- d) *Adult Twenty20:*
\$150 to be paid by 30 November 2021;

- e) *Full-time Tertiary Students:*
\$250 to be paid by 30 November 2021;
- f) *Secondary School Pupils:*
\$180 to be paid by 30 November 2021;
- g) *Year 1-4 Juniors:*
\$60 to be paid by 30 November 2021;
- h) *Year 5-6 Juniors:*
\$100 to be paid by 30 November 2021;
- i) *Year 7-8 Juniors:*
\$120 to be paid by 30 November 2021;
- j) *Non-playing Member:*
\$75 per year.

5. General Business.

Members are reminded to resign (in writing) before the date of the AGM, to ensure that no subscription payment is due for the 2021/22 season, in the event of any member deciding not to play or transferring to another club, or moving out of the city.

Presidents Report 2020 - 2021

On behalf of the Executive and Committee I take pleasure in presenting the Annual Report and Accounts for the 116th season of the St Albans Cricket Club.

A fantastic season both on and off the field (and we didn't lose a single days cricket due to bad weather, a first in a long time) with our Premier men's team winning four grades; our Championship team three grades and two Cavaliers Twenty20, one a piece. Many individual trophies were also achieved – well done everyone. A special mention and congratulations to Tyler Lortan who created club history when he won the Club Player of the Year for the second year in a row. Other teams in the club also contributed to the clubs overall success ensuring that we won the Petersen Shield. This proves without a doubt that St Albans is the best cricket club in Christchurch and one of the best in New Zealand.

Congratulations to Amy Satterthwaite, who was named the New Zealand Women's ODI Player of the Year for the 2020/21 season at New Zealand Cricket's virtual awards ceremony in April.

The junior girls side of the club, under the guidance of Matt and Patricia Davis, grew from just two teams, at the beginning of the season, to six teams by season end. A great result.

My sincere thanks go to the committee for their hard work throughout the season which ensured that we came through without any major issues. Thanks also to Sarah Illingworth, our Patron, for attending many games throughout the season and for her assistance at the Annual Prize Giving evening in April.

Through necessity (lack of any volunteers), I took on the role of Treasurer for most of the 2020/21 season. However, I am now pleased to welcome Rob Young as the clubs new Treasurer. Rob has significant experience in accountancy and will be a great asset to the club over the coming years.

For the first time, in a number of years, we showed a surplus in excess of \$8000.00. This is a reflection of our sponsors (The Bealey Ale and Steak House, The Maharaja Restaurant and Moon Under Water), the many charitable trusts, careful budgeting and planning plus general good management. Thanks to all who contributed.

Also, a thank you to Bruce Harris, our auditor for once again ensuring that our books balance.

I have decided, after 29 years on the committee and 4 years as President, that it's time to stand down. The club is in good hands and I wish the incoming committee all the best for the future.

Please support your club by paying your subs by the due date and continue to come to after match functions as this adds revenue - vital to the health and viability of the club.

Graham Curgenven

Men's Club Captain's Report

After the loss of two teams during the 2019/20 season the obvious focus for this season was to bring player numbers back up and start resurrecting those two sides whilst maintaining the momentum the Premier men had gathered over previous seasons. In typical fashion pre-season was held at the high performance centre in Lincoln, with a slightly earlier than usual start in July. After the disrupted end to last season and a covid lockdown, it proved to be a good move to get everyone back together early, as much for social reasons as cricketing reasons. It was at one of these sessions that the lads were introduced to our new club coach, Freddy Anderson. With club and first class experience, as well as being a Canterbury age group coach, Saints were lucky to have Freddy on board to complement the coaching that Greg Dawson had been doing while also allowing him to step back and focus more on the playing side of his game. Pre-season also saw a myriad of new faces as we looked to reboot the 3rd 11 Jaguars (previously known as the cobras) under the tutelage of Duane Pettet. The Premier men had a change in leadership with Ben Langrope stepping back from the captaincy after a highly successful 4 season stint. Previous captain James O'Gorman stepped back into the role after handing it on to Ben when he headed overseas after the 15/16 season. The remainder of the sides maintained the same leadership with the Championship side once again captained by Clem Gibbens, the Div 4 Buccaneers by Jono Hamilton, the President's men by Scott Mason, Cavaliers Fozzies by Kade Atkinson and the Cavaliers Super Swingers by Sam Price. After a good pre-season the sides were ready to get underway in the first weekend of October.

Except due to Covid and winter sports seasons pushing back, only the Premier and Championship men were able to play on the 3rd October with all other grades forced to wait a fortnight until the 17th before finally returning to the playing field. The Premier men and championship men began their season with two-day games, while the Div 2 Jaguars with an extra 2 teams in the competition began with one-day games. The afternoon grade sides played their usual 40 over games with orange balls used by all afternoon grades much to the delight of the batsmen and chagrin of the bowlers. Those that disliked the orange balls will be happy to know that due to the uncertainty of supply chains in our covid affected world – CMCA has decided to change back to red for the upcoming 21/22 season.

With the T20 grade being the focus of the season, in terms of qualifying for Club Nationals, the 13th December was a big day for the club with both the Premiership and Championship men in the final (the Premier women also featured in their T20 final on the same day). Coming up against Burnside and Sumner respectively, the two sides put on strong displays to win by 9 and 7 wickets. Pre-Christmas and only two competitions down and we had already matched the total championship wins from last season. A special mention must go to

Jack Harper who had an outstanding T20 campaign scoring 415 runs at 46 as well as taking 12 wickets.

The one day semi-finals were held on 21st February with a large number of players unavailable for various reasons including Electric Ave the day before, we struggled to field teams for the three morning grade sides who had all qualified. Despite the loss of 19 cricketers for that weekend, we managed to put three sides all capable of getting the job done and doing the club proud. The Premier men won comfortably against Lancaster Park while the Championship men scrapped home against the same opposition. The Jaguars, who copped the brunt of the unavailability's with players sliding up to fill holes, couldn't get over the line against Hornby. Whilst this was a disappointing result, it showed the depth of talent within the club that after withdrawing the side the previous season they managed to come back and make the semi-finals and the whole squad should be really proud of that. The following weekend saw the top 2 teams host their 1day finals at home on Hagley 1 and 2. The Premier men were up against OBC who had run Saints close on the same ground just 4 weeks prior. The championship men again played Sumner in the final, with Sumner out for blood after losing in the T20s. The championship men were having none of that though with a strong all round performance leading to a comfortable 8 wicket win early in the afternoon, and meant the team could get back to the clubrooms to watch the conclusion of the Premier game. In a much closer game, the Premier men were led by a brilliant captains knock from James O'Gorman, ably supported by Nic Lidstone to give the club its 4th title for the season and both the Premier and championship men the opportunity to go for the treble.

Chasing an elusive and historic treble the Premier men led from the front and by the final day of the season, were virtually guaranteed the title, but put it beyond doubt, beating Riccarton by an innings. The championship men were also chasing a treble but had to fight much harder with an outright win against Burnside and the right result in another game meaning they ended the season 0.91 points above Sydenham and also claimed the treble. A fantastic achievement from the club to win all 6 competitions available to the top 2 grades of men's cricket.

Also, on the final day of the season we had the two Cavaliers sides claiming titles, with the Super Swingers comfortably winning the final against Hornby for the Section 2 title and the Fozzies already too far out in front in the round robin Section 3. These titles are just reward for two sides that have long been near the top of the Cavaliers grades but not quite managing to get over the line until now.

The Div 2 Buccaneers had a tough season (finishing 7th of 8) with the loss of several players from last season and a constant battle for captain Jono Hamilton to fill out his playing 11 for Saturday. There

were still some strong individual performers for the team, but not quite enough consistency through the playing 11 to challenge in that grade. A major focus for this off-season is to look at what we need to do to rebuild the afternoon grade section of the club as without this, the morning grades will not be sustainable and these teams have historically been a massive part of the culture within the clubrooms that we cannot afford to lose. Whilst this will not happen instantly, the club needs to be providing a range of afternoon grade teams for all level of cricketing ability to enjoy their time at Saints.

The President's men had an up and down season, finishing the pre-Christmas competition 3rd to qualify for the top section but were not able to string together performances with only 1 win and 1 tie to end bottom of that section.

This season Saints didn't enter a Chairman's Cup team due to an administrative error by CMCA. This was not picked up until too late to allow our team to compete. While disappointing, the club will be looking to enter again for the upcoming season as we believe in the format and would like to see it more widely advertised and picked up by all clubs across the city.

In the Melhuish shield, a competition in which cubs pair their teams prior to the start of the season and the combination with the most points wins, the club decided to pair the Premier men with the Premier women. While the women had a good season, alongside the men's historic season, we didn't quite accumulate enough points to overcome ES President's & Div 3 combo. With the benefit of hindsight, a Premier men and championship men would have hard to beat.

At the metro awards evening the club took home the Petersen Shield – the symbol for overall club supremacy, alongside a raft of individual awards that come with having such a great season.

This season the club shifted our practises to St Andrews College, where we were able to train on grass wickets again after being at CBHS last season. While the facilities at STAC are good, a priority for the committee still needs to be securing a long term home for the club that includes practise facilities. A big priority for the upcoming season will be to strengthen the existing Buccaneers squad and look to start working towards a rebuilt phoenix side to provide for our more social members. As always, we are lucky to have the clubrooms situated looking out over Hagley Oval. Whilst the revenue generated from hiring out the clubrooms is crucial; we also need to balance club members access to the facilities to ensure a strong club culture is maintained.

Team summaries:

Premier Men – The Premier men were captained by James O’Gorman. The squad remained similar to last year. Winning all three grades this was a historic season by our flagship team who currently hold the Two-day, One-day, T20 trophies, the Premiership pennant and the Boock-Sharp trophy, to end the season with a 14 game winning and 17 game unbeaten streak.

Championship Men – The Sabres team was captained by Clem Gibbens and William Southby. Like the Premier men the championship side won all three competitions available, just the second time this has been done in 2nd grade.

Div 2 Men – The Jaguars team was captained by Duane Pettet. They lost the semi-final of the one day competition after finishing the round robin top, finished mid table in the T20 and Two-day competitions. This was a better than expected result for a rebuilding team and points to a promising future.

Div 4 Men – The Buccaneers were captained by Jono Hamilton. The squad suffered some losses from last season with work commitments and people leaving town counting against them. They finished with a 7 win, 15 loss record good enough for 7th out of 8 (equal on points with 6th but behind on NRR).

President’s – The President’s were captained again this Scott Mason. Needing a large squad to account for the inevitable injuries that occur in this grade, the team started well going 8 from 12 (plus 1 tie) to qualify for the top grade. A poor second half of the season saw them only register 1 more win to finish bottom of Section 1.

Cavaliers Super Swingers – Captained by Sam Price. Competing in section 2 of the Cavaliers T20 grade, the team won 8 and only lost 3 to register their maiden title for the club.

Cavaliers Fozzies – captained by Kade Atkinson. The Fozzies didn’t quite manage to make the cut line for a very competitive section 2, however they didn’t let that stop them with a record of 9 wins and 3 losses (once of those coming on the final day with the title already wrapped up), to win Section 3.

Summary

The club has had an amazing season on the field, with plenty of silverware across the club. The fact the club managed to rebuild a third morning grade side immediately after losing it is a testament to the work Duane puts in and the performance of the Sabres can be directly attributed to this. Our major work on is the afternoon grade section to cater for cricketers that don’t make the morning grade sides

but still want to compete at a decent level and also to reinstate the Phoenix side for the guys that are at the more social end of the spectrum. This will ensure the future of the club and ensure we keep winning trophies for years to come.

Thank you to everyone on the committee for all the hard work they do to ensure the season runs smoothly and have supported whatever I have needed this season to get our sides out on the park.

Congratulations to all of the players who made representative sides, and to those players who achieved individual milestones throughout the season. Some milestones that I particularly want to acknowledge are:

- Tyler Lortan was awarded the CMCA men's club player of the season alongside the St Albans player of the season award after scoring 990 runs @ 50 and taking 34 wickets @ 12.
- Jack Harper also had a great season with 878 runs @ 40 and 38 wickets @17. In any other year this would have secured him at least club player of the year prize.
- Matt Holstein became the first Premier men's bowler to take 50+ wickets in a season 3 times (having done it back to back to back).
- Kade Atkinson scored 546 runs @ 68, the highest ever aggregate for a Saints T20 season.
- Ben Langrope notched his 300th Premier men's game, becoming just the second person to do that since Aaron Johnstone. Speaking of Aaron...
- Aaron Johnstone became the most capped Premier men's player in Christchurch Club cricket history in December passing Dave Stead to reach 361 caps. That number has now stretched out to 376. One more season and Aaron will be pushing for an unprecedented 400. His dedication and commitment to the club over the past two decades is something that we are grateful to be a part of.

To everyone who played this season, I hope you enjoyed yourself and we'll see you again next season.

William Southby

St Albans Awards Winners, 2020/21

Most Ducks Cup:

Amandeep Singh (Division 4 Buccaneers) - 6 ducks

Most Sixes Crown:

Jack Harper (Premier Men) - 22 sixes

Most Economical Twenty20/One-day Bowling Figures:

4 overs: Kade Atkinson (Cavaliers T20 Fozzies Men) - 4-1-6-2

5 overs: Anna Archbold (Social 8 T20 Women) - 5-0-11-2

8 overs: Scott Mason (President's BBBBs Men) - 8-4-11-1

9 overs: Matt Kendall (Division 2 Jaguars Men) - 9-2-14-3

10 overs: Georgia Edge (Premier Women) 10-4-16-0 &

Matt Holstein (Premier Men) - 10-2-16-3 &

Jack Hunter (Premier Men) - 10-4-16-4

Most Runs Scored Off An Over (by a batsman):

Jack Anderson (Championship Sabres Men) &

Matt Kyle (Cavaliers T20 Super Swingers Men) - 21 runs

Most Runs Conceded Off An Over (by a bowler):

Shuiab Munna (Championship Sabres Men) &

Clem Gibbens (Championship Sabres Men) - 26 runs

Best All-rounders:

Men (morning): Tyler Lortan (Premier Men) - 990 runs and 34 wickets

Men (afternoon): Jono Hamilton (Div 4 Buccaneers Men) - 351 runs and 35 wickets

Women: Georgia Edge (Premier Women) - 355 runs and 26 wickets

Keeper: Joel Turner (Div 4 Buccaneers Men) - 847 runs and 28 dismissals

Rod McCurdy Award

(for faux pas, cricketing misdemeanours, peccadilloes and violations of cricketing etiquette, skill and social acceptability):

Elliot Anderson-Evans

Gunna Award

(for claiming they were 'gunna do this' and 'gunna do that' often during the season):

Matt Kendall

Best After-match Speech Award:

Stephen Boock

Personality of the Year:

Duane Pettet

Noel Love Memorial Trophy

(for the older St Albans member who shows outstanding enthusiasm, dedication, camaraderie and social interaction, both on and off the field):

Abe MacDougall

Supporter of the Year:

Shya Jeevaratnam

Peers Cup

(club member contributing most on and off the field):

Matt Davis

Zin Harris Memorial Cup**(young male player of the year):**

Ryan James (Premier/Championship Sabres Men)

Kim Jamieson Memorial Cup**(young female player of the year):**

Kaylee Tavendale (Premier Women)

Most Improved Young Female Player of the Year:

Georgia Edge (Premier Women)

Twenty20 Batsman of the Year

Kade Atkinson (Cavaliers T20 Fozzies Men) - 546 runs at 68.25

Twenty20 Bowler of the Year

Kade Atkinson (Cavaliers T20 Fozzies Men) - 19 wickets at 10.42

Fielder of the Year Award**(most catches by a non-wicket-keeper):**

Clem Gibbens (Championship Sabres Men) - 20 catches

Daygo Award**(most afternoon grade wicket-keeping dismissals):**

Gareth White (President's BBBBs Men) - 22 dismissals

Frank O'Brien Memorial Cup**(best batting average, 400+ runs):**

Brad Hill (President's BBBBs Men) - 68.40 (684 runs)

Cyril Crawford Memorial Cup**(most runs):**

Tyler Lortan (Premier Men) - 990 runs

Tom Burtt Memorial Cup**(best bowling average, 25+ wickets):**

Tyler Lortan (Premier Men) - 12.38 (34 wickets)

Don Sandman Memorial Cup**(most wickets):**

Matt Holstein (Premier Men) - 53 wickets

Bob Webb Memorial Cup**(most wicket-keeping dismissals):**

Aaron Johnstone (Premier Men) - 37 dismissals

Team Players of the Year:

Premier Men: Tyler Lortan

The 2020/21 season would turnout to be one the team's best yet! The squad would be formed by the core group returning from last season and new talent coming through club reflecting the depth being built in the morning grade sides.

This was further strengthened by the introduction of Freddie Anderson who assumed the role of Head Coach. Freddie worked with all three morning grade sides throughout the season and the results of all the sides/players he worked with speak for themselves.

The season would see some impressive milestones reached and a special team result being the first side to complete the treble.

Aaron Johnstone: Aaron has been an integral part of the Saint Albans Cricket Club for two decades and is now officially the most capped Premier Club player in Christchurch Metro history. Aaron took the record when he played his 361st match during the season and remains 'not out'.

Aaron's career includes captaining the side for nine full seasons, during which time he has played a key role in shaping the way the side plays its cricket today. His continued leadership and experience from behind the sticks remains invaluable. A tremendous competitor on the field evidenced by the 23 premier titles and substantial wicket-keeping records to his name (see records page!). A fantastic achievement Aaron and we look forward to a few more.

Ben Langrope: Ben played his 300th match during the season becoming only the second men's player to achieve the feat. As an all rounder Ben has notched up great statistics with both bat and ball along with 19 premier titles. Congratulations Ben.

Debutants:

Ryan James
Jack Anderson
Tom McClean
Matthias Paltridge
Tom Flavell

Congratulations to all those who played a role in the sides achievement this season. Please see a review of the season below.

Twenty20 Competition

The season had begun with two months of red ball cricket and it was important the squad was able to adapt to the face paced format that Twenty20 cricket demands.

Knowing it is important to get early wins on the board to progress through the competition the side came up against a strong Burnside team in game one. A delayed start due to rain did not throw Saints off their stride having one the toss and electing to bowl. James Tapper (3-11) did the damage up top and was well supported by the rest of the attack before some late tail end hitting would see Burnside through to 102/9. A determined batting performance in challenging conditions saw the score reached in the 18th over for the loss of only 4 wickets.

A rally drive across the city would see the team take on Heathcote in the Valley that afternoon. Heathcote won the toss and elected to bat posting 129/6 on a wicket that was getting slower and lower by the ball. Jack Harper looked to be batting on a different surface creaming 54 off 34, which would be the start of a tremendous personal T20 campaign. The run chase would be finished by Nicholas Lidstone in the 18th over.

A strong opening weekend came to a halt when the side was well beaten by East Shirley with 141 playing 104. Sydenham followed and with Saints batting first posted 166 led by Harper (68) and Tom Flavell (37*). Flavell on his debut and looked at home while taking it to the Sydenham attack. Despite 3 wickets to Jack Hunter in a fantastic spell Saints would suffer a rare consecutive loss.

The side travelled to Garrick Park to take on a strong Lancaster Park Woolston (LPW) in a crucial match. Losing the toss LPW put Saints into bat and had us reeling at 1/2. Harper coming off 3 consecutive half centuries would turn the tables going one better showing no mercy on the LPW attack. His innings would include nine 4s and six 6s compiling 106 from just 63 balls. Saints recovered to finish on 161/3. A fast start from the LPW openers was combated by the bowling attack with Lachie Harper taking 2 for 8 from his short spell changing the momentum. Saints getting the crucial win with LPW falling short at 142/6. The win would give the side plenty of confidence for the rest of the competition.

Victory over Old Boys was led by the two Jack's (Harper and Hunter) taking 5 wickets between them, before the final round robin match against Riccarton would finish as an eventful tie. Batting first we posted 151 with Lidstone (41) top scoring. Riccarton finished with a flurry of boundaries before a crucial run out removed the danger man. A scrambled single from the final ball would see a rare tie in the competition. The result was sufficient however to secure a place in the semi-finals.

We would get a chance at redemption against an inform East Shirley side in the semi final. Winning the toss Easts elected to bat first on a flat Nursery wicket boasting a short boundary. Ben Langrope (0-23) producing an economical spell from his allotment and Matt Holstein (2-21) the pick of the bowlers in batter friendly conditions.

Chasing an intimidating 171 for victory the run chase started with enormous momentum. Harper would again lead the charge, belting 54 from 32 to help alleviate run rate pressure. We would lose another quick wicket in Lortan before a critical partnership (60) between Lidstone and Greg Dawson would put Saints in a winning position. Dawson showing his experience posting an unbeaten 67 to see the team through to the final!

The final would be a rematch of the opening T20 game of the campaign. Held at the Hagley Nursery ground on a perfect day Saints would play hosts to Burnside. Some pre-match niggle would add some spice to an already highly charged fixture. We won the toss and decided to put Burnside into bat to pressure them into posting a large total. A steady start by Burnside would be undone by the Harper boys. J Harper would finish with 3 for 26, but it was big Lachie Harper's (3-14) aggressive spell that rattled Burnside! The Harper's were well supported by the economical Holstein.

The target was 137 to lift the trophy and blast the lungs. Jack Harper again making a substantial dent in the total making 53 from 42. James O'Gorman (24*) and Lidstone (27*) paced the remaining chase well knocking off the winning runs with two overs to spare.

A great result with every member contributing to a title victory! Special mention does need to go to Jack Harper who tallied 415 runs in nine matches including five 50's and a century!

Result: Winners

Record: 5 wins / 1 tie / 2 losses

One-Day Competition

The first round of the one-day competition would be the final match of 2020. Losing the toss on a hot day and Riccarton electing to bat first, the bowling attack made sure the boys did not have to be exposed to the heat for long. Hunter got things underway and the wickets continued to tumble with Riccarton eventually bowled out in the 20th over for just 87. J Harper & Hunter taking 3 wickets apiece, Tapper and Lachie Harper 2 each. The runs were knocked off in 14 overs and was a satisfying way to head into the Christmas break.

Round 2 would see Sydenham post 189 in the first match of 2021. Matt Holstein (3-16) led the attack with a tight spell, well supported by a rare sighting at the bowling crease from O'Gorman (3-20). The run chase centred around Lortan (71*) with key partnerships throughout a controlled chase.

The next round against Burnside would also see the Boock/Sharp trophy on the line. Burnside's decision to field first looked a mistake as Dawson (76) and J Harper (74) put on 133 for the first wicket. The strong foundations saw those to follow play positively, with Saints posting a competitive 290/7. The bowlers were placed under pressure with the Burnside batsman looking to play freely. Wickets at key moments saw

Saints maintain the edge throughout with Langrope, J Harper and Lortan each taking 2 wickets before eventually dismissing Burnside for 256.

Heathcote were easily accounted for when dismissed for 103. Spin would be the key to the innings with Holstein (3-18) and Lortan (4-26) sharing the spoils. Dawson (43*) and Lortan (42*) making swift work of the chase.

The team would head into the always-competitive match against LPW with strong momentum. Electing to field first in damp conditions Saints were immediately rewarded. The innings was led by a brilliant spell from Hunter (4-16) dismissing LPW for 114. Tom McClean would also take his first premier wicket with a sharp caught & bowled chance. The LPW attack were never going to rollover and made the team work for every run. Lortan (50*) again anchoring the chase with Saints reaching the target for the loss of five wickets.

Next Saints had the privilege of hosting Old Boys on the Hagley Oval. Winning the toss, J Harper (94) and Lortan (81) making the most of the conditions, with Harper falling just short of what would have been a well-deserved hundred. Chasing 255 to win, Old Boys were on the back foot early with Hunter (2-47) taking a wicket in the first over. Reid Gibbens (2-33) would follow suit bowling a great spell up top. Langrope and J Harper also in the wickets had Old Boys struggling at 127/8. A brilliant individual innings of 151* was almost enough to steal the game, however Saints holding their nerve to take the final wickets just in time.

The final round robin game was against Easts. Batting first Easts posted 209/7, with key spells from Tapper (1-18) and Lortan (3-19) helping to restrict the total. A controlled innings from Dawson (71*) with support from Langrope (27) and Holstein (21*) saw Saints take the victory going undefeated through the round robin.

The semi-final against LPW would also see Langrope reach the impressive milestone of 300 premier matches. Putting LPW into bat regular wickets made sure the innings never got away from Saints. Langrope (3-23) the top wicket taker in his 300th match. Chasing 181 to win, Matthias Paltridge (25) provided the foundation up top. Lortan (66*) continued his great form and the chase was well finished by Ryan James (21*).

The final would be a rematch against the inform Old Boys who had dropped only one game during their campaign. Old Boys having been put into bat took the early momentum racing to 90 in 12 overs before the loss of their first wicket. Enter Holstein (3-44) who would trigger a collapse putting the pressure back on the opposition at 137-6. Lortan (4-48) the other key wicket taker. Old Boys would finish on 247/9. In reply Saints were 51-3 before a 179 run stand between O'Gorman (103*) and Lidstone (93) broke the back of the chase. Langrope hitting the winning runs with 4 overs to spare seeing Saints taking the silverware after a brilliant one-day campaign.

Result: Winners

Record: 9 wins / 0 losses

Two-day Competition

Saints would begin the season as defending champions of the two-day cup and were certainly keen to go back-to-back.

Winning the toss in game one we sent Burnside into bat first. James Tapper (4-26) and Jack Hunter (3-32) both got their seasons off to a cracking start dismissing Burnside for 131. In reply Saints posted 217/8 built on a 100 run stand by O’Gorman (99) and J Harper (47). Burnside would ‘shut up shop’ in the 3rd innings though seeing the match end in a draw.

In round two Saints were on the back foot against a determined Heathcote who claimed first innings. Day 2 saw a much needed turnaround led by Holstein (5-20) and Lortan (4-16). Chasing just 120 to win, Bailen Thatcher (37) put a bloodied fielding effort behind him to get the chase underway. Saints winning by nine wickets.

The winning form continued against LPW. After being put into bat on a wet wicket Saints finished with 171 after some much needed lower order fight. LPW were skittled for 73 in reply with Tapper (5-19) doing the damage. A positive 2nd innings with Lortan (88*) set up the opportunity for an outright victory. L Harper (6-51) did not need a second invitation with a devastating spell showing his potential.

Sydenham would prove a challenge at their home venue on a docile wicket. The match would end in a hard fought draw with notable performances; Holstein (6-74), Dawson (78), J Harper (53*).

The two-day competition was put on hold as both the limited over formats were completed. Saints would come into the final three matches with the chance of taking out all three titles.

Matthias Paltridge (76) and Ryan James (84) piled on the runs early against Old Boys to put Saints in a dominant position posting 273/7. Old Boys declared behind to allow a match to be set up. Langrope scoring a brisk 60 to help set the opposition a gettable 230. Spin would be the difference, Holstein (3-14) and Lortan (4-37) helping Saints achieve victory.

The penultimate match would be hotly contested against Easts Shirley with both sides in the title hunt. Batting first Easts declared on 192/9. Saints would amass 329/7 with Lortan (136) and Holstein (68*) the top scorers. Jack Anderson showing off his skill set with the new ball before a J Harper spell (4-8) sealed the deal and an innings victory achieved helping to accumulate crucial points.

The competition was almost in the bag heading into the match but the side would finish with another dominant performance. Dismissing Riccarton for 164, Saints replied with 299/3 seeing Lortan (115*) scoring a consecutive century finishing his season in style. Riccarton would show some resistance but a determined Holstein (6-16) bowled a superb spell, with the haul taking him over 50 wickets for the third season in a row. The win completing an outstanding season and an achievement the club can be proud of.

Result: Winners

Championship Men SABRES

	P	W	L	D/T/NR	Place
Two-day:	7	5	0	2	1st (8)
One-day:	9	6	3	0	1st (8)
Twenty20:	8	6	1	1	1st (8)
Total:	24	17	4	3	

As we headed into this season, there were many unknowns. With the Coronavirus pandemic still having an immense impact around the world, we didn't know how the Sabres squad was going to shape up. In comparison to previous seasons, we had no overseas players to bolster the ranks, however, the re-emergence of the Division 2 Jaguars team, under the watchful eye of Duane, meant he had an additional source of players to draw on. A couple of young players had also joined the team after moving to Christchurch, which meant we were in good stead in the lead-up to the start of the season, with a strong "morning grade squad" assembled when taking into account the Premier and Jaguars team. As it turned out, what unfolded over the season was barely believable and something I don't think will be repeated for some time.

As with the promotion/relegation changes from the previous season, we saw the Sydenham team coming back up from Division 1 for the first time in a few seasons, and Merivale-Papanui were relegated. The season format also changed from the previous season, as it reverted back to the traditional two-day games to start, followed by the T20 competition in the lead-up to Christmas, one-day games post-Christmas, then finish with the remaining two-dayers.

The first game was against the newly-promoted Sydenham (though with a very familiar face to the club with their skipper being none other than Kelvin Scott), and with what a recurring theme throughout the season against them, it was a tight, seesawing match. A pretty even first day, where runs were aplenty and wickets were hard to come by, was followed by a crazy day two, which saw us come out on top thanks to last seasons Player of the Year Ian Souness carrying on where he left with a barely believable 7/2 to skittle Syds for 73, though the chase was not straightforward with us scraping across the line chasing 98, 8 wickets down. Game 2 saw us take on Lancaster Park, with us setting Park 228 off a generous 65 overs, and the bowlers responded by putting Park under pressure from the get-go, eventually reducing them to 104/9 with 14 overs remaining. However, the last pair well and truly shut up shop, keeping us out there for the remaining overs, while only adding 9 runs to frustrate the boys and eek out a draw. This could have been a critical moment in the season as it turned out but more on that later. Next up was Marist Harewood, and the boys bounced back with a commanding innings win. The last two-day game before the change in format was against Sumner and was another seesawing game that went down to the wire. After giving up a 23 run first innings lead on the postage stamp-

sized St Leonards Square, our second dig was crucial to set up the game. We ended up setting Sumner 208 to win off a minimum of 41 overs. We had them in trouble early at 21/4, though a series of partnerships ensued which got them to 194/8 with 3 overs remaining, before the boys went bang-bang to wrap up an 8 run win in the penultimate over: new boy Jack Anderson with a maiden 5-wicket haul for the club. This meant we were in a tight 3-way battle at the top halfway through the two-day competition.

Our attention now moved to the T20 competition, brought forward due to the National Club Championships changing its focus to T20. We had pressure on us to perform as defending champions in this format, and that was exactly what we did. A wet outfield and run-up scuppered any chance of play in our first game, before a final-ball thriller against Sydenham, which saw us requiring 15 runs off the last over, 12 off the last 3 balls and 6 off the last ball to win, with us winning the game. Next up was a midweek game against Park, which was a narrow loss, and resulted in a bit of a logjam in the middle of the table. We managed to get some breathing room by beating two of our closest challengers for those spots in Old Boys and Riccarton, in contrasting fashion it must be said. We ground out a 2 wicket win against Old Boys in the last over of the game, before blowing Riccarton away with a 9-wicket trouncing. Our most crucial game in the round robin was against Marist (who were early leaders in the competition), and it was another thriller. Similar to the Sydenham game, it came down to the last ball, though this time we required 6 runs to tie and salvage what ended up being a critical point. Step up Tom Flavell (not usually a known power hitter) who managed to top edge a short ball over third man for 6. As a result, we ensured we would be in the semis, though the final position we could finish was still up for grabs. The last round was a top-of-the-table clash against Sumner, with the winner guaranteeing top spot. We restricted Sumner's big players well limiting them to 100, before we ticked along as we needed chasing the target with 2.5 overs remaining. As a result, we set up a rematch from just 2 days earlier, in the semis against Marist. We learned from that game and adjusted well, bowling them out for 117, before we chased the target down in 10 overs without losing a wicket, with Dan Sharples playing some elegant shots (and myself some not-so-elegant ones) peppering the boundary. This set up our first crack at silverware for the season against Sumner (who had beaten Old Boys in the other semi). Our plans, which had been developed from our earlier encounter, worked perfectly as we restricted them to just 75, bowling them out in the 20th over. Incredibly, we didn't concede a single boundary throughout (an unheard of in T20 cricket), though some sloppy fielding did result in an in-field 4 (all run). The loss of an early wicket didn't deter the boys as Matthias Paltridge and Ryan James worked the field beautifully to chase the target down in the 14th over, and locking up the T20 title again, the first time it had been successfully defended in the grade.

To wrap up the pre-Christmas half of the season, we started the one-day competition against Sumner. We couldn't have started the competition

must better, with a 4-wicket, bonus point win. As a result, we finished with a 9 win-1 draw-1 tie-1 loss record (and 1 abandoned game).

We continued the one-day competition post-Christmas against Marist, getting bowled out for 205 which we felt was under par, possibly due to a bit of rust from 3 weeks off. However, only 2 bowlers were needed as we managed to dismiss Marist for 31 inside 10 overs. Next up was Burnside, who had the wood on us in previous years, with the boys not really able to adjust to some good fast bowling, seeing us fall to a 33-run defeat. We bounced back with another dominate performance against Riccarton, chasing 202, 3 down inside 35 overs, Paltridge unbeaten on 84. Next up was a run-fest on the tiny Elmwood 4 ground, known for its particularly short straight boundaries. We eventually found ourselves chasing 300, daunting no matter where you play, but not for James Southby, whose unbeaten 117, and quickfire 59 not out from Jack Anderson guiding the team home. Another close game saw us coming up 5 runs short against Park, before being comprehensively beaten by Sydenham in the last round robin game, which saw us finish 3rd and have to play away against Park in the semis. A couple of unavailable players meant some boys were coming up into the Sabres for the semi, but that didn't phase them as everyone played a role in the game. The bowlers did a fantastic job restricting Park to 170, with wickets shared around. The chase started well, but a few speed bumps saw us go from 24/0 to 69/6. Step up Sam Kearns and Piers Landon-Lane, who put on 95 for the 7th wicket to all but get us home, a couple of late wickets not phasing Landon-Lane who calmly guided the winning runs through the cordon to put us into our 2nd final of the season.

And for the 2nd time this season, the final was against Sumner (who I'm sure were sick of seeing us). And as with the T20 final, we suffocated them from the get-go to dominate the game from start to finish. We had them 47/6 at one stage, before some lower order flourishes saw them eventually dismissed from 149 on what was a very batter-friendly pitch. This was demonstrated perfectly by Paltridge and Manpreet Sharma, who put on 120 for the first wicket at better than a run-a-ball to effectively end the game. A couple of late wickets fell but it was never in doubt as the boys chased down the target in 23.1 overs to kick off celebrations after completing the white ball double. Even more enjoyable was being able to cheer the Premier team home who were playing on Hagley Oval.

At the time of the one-day competition semis and final, we also had the remainder of the two-day competition to complete. As mentioned earlier, we were in a three-way battle at the top with Sydenham and Burnside, and as it transpired, Burnside needed to play Sydenham and us, meaning any number of scenarios were at play. First though, we needed to get the points against Riccarton. The boys duly obliged, despite having to play 2 double-headers in a row (with the one-day semis splitting the 2 days, and the final the following day after Day 2). The next game was against Old Boys and will be remembered not for the cricket played, rather what wasn't played. Between Day 1 and 2, a training incident for Old Boys saw their senior captain come down critically ill. As a result, Day 2 of our game was abandoned out of respect for their club.

However, it had implications on the points table, as our points were shared due to the extreme circumstances. In the other crucial game, Sydenham and Burnside could only muster a draw, leaving only a handful of points separating the three teams going into the final game, with us facing Burnside and Sydenham facing Sumner. The equation was simple for us, we needed to win and win well, and hope Sumner could assist us by limiting Sydenham. We did what we had to do, batting first and scoring 245 on the back of 98 from Tom Flavell, before having Burnside for 150/8 after Day 1. Unfortunately, Sumner had crumbled in the other game, meaning the 'live' totals had us and Sydenham separated by less than 1 point, but due to the match situations, we needed to get 1 more bonus point than them, and those points missed against Park looking like they could come back to hurt us. At this point, there were no fewer than 4 spreadsheets setup across Christchurch live tracking the points situation from both games. First though, our focus needed to be on getting the win otherwise it wouldn't have mattered. We managed to wrap up the innings with relative ease, though the question was now how long do we bat, knowing we needed bonus points and to win. Basically, we needed quick runs off minimal overs to give ourselves a crack. A brisk 72 up top from Paltridge and a few cameos down the order meant that Burnside needed 209 off 59 overs, or in our case, we needed to bowl them out for 109 or less, to give ourselves the necessary bonus points to have a shot at the title. And the bowlers stepped up alright, with Dan Sharples starring with the ball this time, taking 5/12 off 9 overs of unplayable swing bowling. As a result, we bowled Burnside out for 70, also ending their 4-year run of dominance in the competition. Now all eyes turned to the Sydenham game, where Sumner had fought back somewhat. As a result of our game and the progress in their game, Sydenham ended up needing to chase 64 without losing a wicket to clinch the title. Many eyes were on CricHQ throughout the day, and when the score was on 32, a wicket fell sparking celebrations in the various vehicles that were travelling from Burnside to Hagley, the final margin being 0.91 points. As a result, we swept all 3 titles, a largely unprecedented achievement in this grade. And when considering the Premier team did the same, the top 2 morning grade teams achieved an unbelievable sweep of all competitions, a Metro Cricket first.

Every member of the squad contributed throughout the season, and I could write pages about everyone, however a few individuals deserve recognition:

- Tom Flavell and Matthias Paltridge again were again crucial up top, being the leading run scorers for the team, and both duly rewarded with maiden Premier call-ups;
- Ian Souness carried on his form from the previous season, again racking up some serious stats, taking 40+ wickets and a club best of 7/2;
- Jack Anderson joined us from Wellington, and after a couple of weeks finding his feet, took the reins and dominated the grade with lethal new ball spells, and also contributed on several occasions with the bat;

- Will Southby was again our rock in the batting order, just going about his business, as well as taking over the captaincy post-Christmas (and juggling the mens club captaincy). His ability in the field was also unmatched;
- Ryan James came back fighting fit this season and was critical with bat and ball. Unfortunately, we didn't see him much for the second half of the season as he quite-deservedly made the step-up to the Premier team;
- And lastly, Sammy Kearns, who again showed how important he is to the team. Throughout the season, his leadership and assistance, as well as key performances with bat and ball.

Other notables included Hugh Symes, Tom McClean, James Southby, Shane Burton, Reid Gibbens and Manpreet Sharma. Your work throughout the season wasn't unnoticed and all contributed to the success of the team. Matty Aspinall and Piers Landon-Lane had little opportunity this season as well but did not look out of place in the slightest, and I'm sure more chances will come.

I want to also thank Duane Pettet, who always puts in countless hours behind the scenes, as well as also reinvigorating the Division 2 team, has in no small part helped push us to the heights reached by the team.

This season we also introduced a Player's Player MVP system as a way to acknowledge individual success as voted by our peers. Jack Anderson was rightly voted the inaugural Player's Player for this season. Additionally, Jack was also awarded the team player of the year for his outstanding efforts, making it two seasons in a row where a rookie has claimed the honour.

I can't emphasise how proud I was of the team this season, achieving the heights we reached. It is truly a reflection of the work everyone has put in throughout and shows how the development put in over the last few years has come to fruition. I look forward to seeing everyone again next season, and hope there's a few more renditions of 'Oh When The Saints' to come.

Clem Gibbens

President's Grade Men BBBBs

	P	W	L	T/NR	Place
One-day:	22	9	11	2	6th (13)

As with each of the last nine years in President's grade the lads of the BBBB's entered the season with an optimistic outlook and dreams of winning another title. The usual faces were joined by new recruit Abe MacDougall (AbeMac) who came to us having "retired" his spot in the Buccaneers, which meant another good all-rounder to call on and provide more balance to the teams batting and bowling stocks and a pair of younger legs in the field.

After a comprehensive first up victory over grade newcomers Ohoka, those thoughts of a grade title seemed realistic. 3 losses and a tie put a bit of a dent in that optimism, but the boys pulled together and won 7 in a row to see us finish third in the main competition, narrowly beaten out of second by 3 points. Congratulations once again to Burnside who continue their dominance for another season.

The grade then split into top and bottom sections and our luck deserted us as week after week the unavailability or injury bug hit and there was a scramble to put together a team which is never a great position to be in when facing off against the other top 5 teams in the grade, but such is life and we still turned up and had fun, even if the results didn't go our way.

As always there were some stand out performances over the season, mostly from our batsmen as the dreaded orange ball CMCA are forcing us to suffer through playing with nullified the bowlers once again.

Mantis (Brad Hill) topped the charts for the team with runs scored, not outs recorded and highest average obtained for the season plus top equal for fifties scored as well as pocketing 11 catches and grabbing a few wickets with his left arm tweakers and was deservedly named our team player of the season.

Mantis had several key partnerships with the likes of RJ (Robin James) and Half G (Gareth White) to win games for us and also had the unwanted honour of being at the crease twice with scores tied and balls remaining but not being able to get us over the line (to be fair on one of these occasions he was the non-striker), yes we had 2 tied games, incredibly against the same opposition.

RJ seemed to be hitting the ball even harder this season, registering 19 sixes with apparent ease in the 10 games he played and proving again his value as an all-rounder with 10 cheap wickets and 6 catches. Jimmy (James Alabaster) when available was as solid as ever at the top of the order but still suffers from the occasional need for a

prolonged pit stop at the drinks break if he is still batting, much to the amusement of both teams.

Hampo (Mark Hampton) would be the first to say he wasn't at the top of his game this season but still managed to pass 500 runs at a healthy average. Half G struck the ball well and is getting better with each game behind the stumps, pocketing an impressive 21 catches and 2 stumpings. The rest of the batting unit of Baz (Barry Cox), Selly (Selwyn Cox), Flav (Pierre Flavell), Rich (Richard Mather), Richie (Richard Carrigan) and Reado (Dean Read) all played well at various stages, AbeMac even smashing a maiden 50 when asked to open. The guys always had the interests of the team in mind when crafting their innings and in several games 200 plus runs were scored by the batting unit which shows how consistent they all were.

Eagle (Brad Smith), Muzza (Murray Griffin), AbeMac and Potty (Scott Mason) shouldered the bulk of the bowling duties, each having one or two outstanding performances in an otherwise frustrating bowling season. Good support came from Rich, Flav, Jimmy, Hampo and the surprise package that is Daygo (Graham Curgenvin) who discovered that "left arm round and thru" worked wonders when given a go by the skipper. When short of players Norm (Matt Davis) and Josh Mason (son of the skipper) jumped on board and both bowled well for us. In his limited appearances due to coaching commitments at Christ's College, RT (Ryan Thomas) showed he could still bowl, but fielding was best left to those able to get a little closer to the ground than he. As can be seen from the stats our normally reliable wicket takers had a hard time over the season and restricting batters was just as hard as getting them out.

And to not disappoint anyone other than himself, Flav kept his "streak" of at least 1 injury per season going, this time adding another 3 entries into the ACC books, to push his personal record out to 9 years in a row for us. Maybe next year if he wants a game or two off he can just ask.....

This is as good a place as any to move to the much awaited annual BBBB awards which were presented as follows:

Team Player of the season – Mantis

Batter of the season – Hampo

Bowler of the season – Muzza

All-rounder of the season – AbeMac

Harbour Bridge (most interesting fielding over the season) – Richie C

Carthorse (most impacted by the aging process) – Flav

Mr Grumpy – Mantis (taking it out in a close-run race with Eagle)

And for the second season in a row the team has the unfortunate honour of having to award the most unwanted trophy of them all, the "I got hammered" award. This goes to a gentleman who was playing

his second game for us in his debut season and he returned the figures of 8 overs, no maidens, 1 wicket for 78 runs (the only one smiling was last year's recipient Muzza). A nice welcome to the grade AbeMac!

A few milestones also passed during the season:

Hampo passed 9000 President's grade runs.

Reado passed 6500 BBBB runs and 3000 President's grade runs

Jimmy passed 3000 President's grade runs

Potty passed 350 President's grade wickets

Muz took his 200th BBBB wicket

And mention must be made of Daygo, clocking up his 30th year in BBBB colours, what a fantastic milestone for my old mate.

A special thanks must go to our new team sponsor (and former club member) Matt Kamstra from Moon Under Water for making the lads look the part on the field with our flash new playing kit.

Congratulations to Reado and Potty for selection in various Canterbury, Mainlander (Canterbury/Otago) and North v South Over 50's teams throughout the season and to Hampo for selection in the Canterbury Over 50's. Just goes to show that if you don't make it in your 20's or your 30's or your 40's there is still a chance in your 50's.

Despite having our fair share of injuries over the season, something that probably shows we are all getting that much older, it hasn't and won't stop us from returning next season to do it all over again as the most important thing is spending time with your mates playing a game we all love. Now to find that new captain.....

Scott "Potty" Mason

Cavaliers Twenty20 Grade Men SUPER SWINGERS

	P	W	L	T/NR	Place
Twenty20:	20	16	4	0	1st (11)

The season started off like any other season, first game called off due to rain. I can't remember if this was the case, but it seems about right.

The team was much the same as the previous season with some people committing to a full season for the first time with others stepping back to a half season. A notable addition to the team was Peter Fernando, who had recently moved down to Christchurch from Wellington and was looking for a team to join. Given the value he added to the team, not just on the field, I'm glad he got in contact with St Albans. We also managed to pick up our first Australian in Grant Hambly, who was fantastic with the ball taking the third most wickets this season. True to his countryman, Don Bradman, he scored a total of 99 runs over the whole season. Speaking of Don Bradman, Eddie Woodham had a season to remember, scoring 299 runs at an average of 99.7 while taking 14 wickets at 11.6 from 11 games. It was by one of the best individual performances I can remember while playing for the Chin Swingers and Eddie was deservedly awarded our player of the season. Other people to note were: Andrew Brown with 411 runs for the season (the first time a Chinny has achieved that milestone); Tom Wilson with 9 wickets and an economy of 4.3; and Scott Baker pouching 10 catches behind the wickets.

We asked to be dropped down a grade as this season as we were tired of being beaten by ex-first eleven school leavers who took the whole game way too seriously. It proved a masterstroke as we immediately set out winning in the new grade and went undefeated into the Christmas break. We weren't dominating the other teams most of the time and the contests were usually quite even, in fact, I'm not sure how we managed to scrap out some of our wins. We carried on in the same vein after the break but lost a couple of games on the bounce in early February the table was getting clustered at the top and we needed to win our second to last game to be assured of a place in the final which we did. In the final, against Hornby, we played our best cricket all season. Andrew and Matt Kyle went and played great opening stand before Peter came in to continue the pace. Everyone who went out to bat contributed to the team setting a target of 193/2 which is the highest score by a Chinnies side. We then went out into the field knowing that if we bowled as well as we batted, we would win the game. We did just that, with Corrie Hoult getting us off to great start with a tight spell of bowling to increase the pressure on the Hornby team. Tom played his usual role with 2/15 from four in the middle overs of the game and then Eddie came on at the end to mop up the tail to give the Chin Swingers our first grade championship.

I'm looking forward to getting back on the field and seeing if we can go back to back in the coming season.

Sam Price

Cavaliers Twenty20 Grade Men FOZZIES

	P	W	L	T/NR	Place
Twenty20:	22	14	7	1	1st (10)

A new Fozzies Bears season brought about trying to create some cricket tradition within our side. Old Fozzies coming back and playing along with some new ones. We brought in the Fozzie Bears Baggy hats to our team with playing 25 games or more meaning you earn a Baggy.

In terms of results on the pitch we were a mixed bag to start the first half of the season with some results that should have been wins not converted meaning we had to drop to the lower tier of the grade at the Christmas break. In this section we went through this well and only losing 1 game to take the honours of this section of the grade. With the success of all the St Albans sides through out the grades this season we were pleased to be able to add another piece of silverware to the club trophy cabinet.

Matt Cameron and Mario Kruger generally lead the way off the top off the innings opening up and made sure we got off to some great starts. Matt went through to score 4 50's this season and was again a force this the bat in hand. Mario with a high score of 45 was also a pleasure to watch with willow in hand. Both these 2 were also a dominant force with the ball in hand snaring wickets at ease.

James Kirkpatrick had his best season to date with the Fozzies with the bat. Playing over 250 games for the Fozzies his skill was on show to see this year and a high score of 47 not out was testament to how he preformed this year. Solid as a rock and look forward to seeing him bring up the 300 games in the coming years.

The Fozzies middle order of Kade, Tim, Simon and all had major contributions throughout the year for the Fozzies and were a key cog with bat and ball for the team with their all-round abilities contributing factors to the success the team had this year.

Anton Fouché with the ball in hand in his first full season was a pleasure to watch. The big fella had the ball on a string many times and was rewarded with plenty of wickets to his name for the season.

The Evergreen John Maclean came back this year as one of the Fozzie bears legends to also feature strongly for the side showing his batting guile with 42 not out in one innings and also very handy with the ball in hand. One of the most memorable moments for the Fozzies in recent times was Macca and his son playing in the same side together for the first time.

New face this year for the Fozzies was John Stewart. What John brought to our side was a fearsome opening bowler with pace and bounce causing the opposing batters all sorts of problems. Also, with the bat John scored runs at ease and is a valuable member of the Fozzie bears side going forward.

Nick Yardley again stared with ball until a Christmas holiday cut his season short with a arm injury forcing him out for the 2nd half of the season.

A mixture of fill in helped the Fozzies throughout the year and were also key parts of the team. All in all another enjoyable season from the Fozzie Bears lads. Look forward to the 21/22 season.

SBW's cracked into the 2020/21 season with a solid line up of players returning from the previous season, along with a couple of new additions and our usual array of regular fill-ins who swear they aren't really cricket players. It was a very up and down season with a wealth of wins against LP and Canterbury Country and a series of very near losses to Heathcote. Try as we might we simply couldn't muscle up a win against them, finishing up the season in a respectable 2nd place but yet another season down without claiming the OG Trophy.

We had some rough blows this year, starting with Maria leaving the team early in the season to fight the good fight against illness. Our thoughts have been with her throughout the season, especially as she left following an absolutely epic catch, reminding us all just how it ought to be done! We then went into the Christmas break facing a second blow - the death of Casey's Dad who was a nurse in a Covid ward in the UK. This loss devastated Casey, Chris and their family and our team along with them. Seeing as this was not reason enough to grant a ground change request so Casey and Chris could play, we ended up defaulting the last game before Christmas, instead watching the other teams in our grade battle it out on St Albans Park with Casey joining them to make up numbers!

Casey continued to lead the way with the bat as much as possible with her ongoing shoulder injury, not helped by dives behind the stumps and throws from deep square! Both of these batting and fielding efforts were supported by Bondi upon her return from maternity leave with a couple of 50's and major concerns about her diving in the field and the possibility of opening up her c-section scar!

Anna and Jodi both found the 50 mark with the bat this year, with Anna high scoring 53* and Jodi managing 50* three times. Anna proved to be pretty handy with the ball once again taking 18 wickets, including 4-4 off 4 against LP pre Christmas. Nicole was another solid support with the bat even if she did refuse to open. She ended up batting the most matches and is now not ever allowed to leave us. Nic also remains the winner of the shittest ball to ever take a wicket!

Julz held onto her top spot as the fielder doing the most running, which we think did her a huge favour in her current goal to hit the 30 min 5km run! You're welcome Julz! Sherri returned from a short stint with the prems after remembering just how cool our team really is. She supported the running effort in the field along despite a wealth of injuries along the way and was pretty handy with the bat and ball as well.

Chris started this season with a new bat and newfound ability to use it like a star! She even even managed to find the boundary with a 4 that won us the match. Elrie left last season engaged and at some point along the way she managed to get married without telling us! I'm pretty sure she tried hard to have her birthday in secret as well! Elrie proved this season that she can bat with two hands and also managed to take 8 wickets along the way.

Thanks again to our solid part timers/fill-ins – Liz with her batting average of 74, Marika with her excellent transferrable softball skills, Jaz with her long lost but not forgotten keeping abilities, Mel and Freddie with their annual appearances and Rachel who returned several times to drink on the boundary and cheer us on!

See you all again next season.

Jodi Uluakiafua

Junior Girls

The 2020/21 season saw an increase in the number of junior teams playing for Saints. There were two year 5/6 teams in 2019/2020, this season saw a Kiwi team, three year 5/6 teams and two year 7/8 teams (one being a combined side With Riccarton). All teams had some wins during the season, with the combined year 7/8 side being undefeated. For many of the girls, this was their first taste of cricket, it was heart-warming to see the improvements each girl made during the season and the friendships being forged.

We also had several girls compete in CJCA tournaments during the season. For our year 5/6 girls this was their first taste of tournament style competitions. The Year 7/8 girls competing in the Spring tournament also had the chance to be selected for the CJCA side competing in the South Island invitational tournament which was run in January. Several girls from combined side won spots for this team, which the CJCA team won with a thrilling last over victory in the final.

Sunday 28 March was the prize-giving for the junior section. Thank you to Nat Cox for presenting the awards and speaking so eloquently, thank you also to Kaylee Tavendale for helping with the year 5/6 girls training during the season.

A big thanks to the parents and families of the junior Saints players, without your support the girls wouldn't have come as far as they have. Thank you also to the Saints committee for their continued support. A special acknowledgement must go to New World Bishopdale, as they provided lollipops for the girls at the start of the season as well as the drinks and cake the girls enjoyed at our Christmas party and prize giving. Our final thank you (the most important one) goes to the girls themselves, their enthusiasm and support of each other during the season truly reminded why we love this game.

Kiwi

The aim of this grade is about participation and fun, the youngest team in the club (and the one only girls team in this competition) certainly had a lot of fun looking at the smiles on the girls faces at the end of each game.

Mini Saints

Zara Brokenshire, Bonnie Craig, Athena Lee, Maija Rautjoki Sewell, Scarlet Low

- Most Improved: Maija Rautjoki
- Most Valuable Player: Zara Brokenshire

Year 5/6

The aim of this grade is about player participation with the focus being on skills development and enjoyment. The three Saints teams in this grade represented the club with pride, always showing a positive attitude and sportsmanship. Several girls from these teams competed in CJCA Spring and/or Summer tournaments experiencing this style of competition for the first time.

Angels

Eden Brokenshire, Lucy Collier, Sophie Davis, Niyati Gupta, Ava Kent, Lily Smith, Paige Swain, Katelyn Taaffe, Chloe Taylor, Lucy Williams

- Most Improved: Niyati Gupta
- Players Player: Lily Smith
- Most Valuable Player: Lucy Williams

Royals

Isabella Alexander-Stewart, Daisy Elkins, Luella Jeffs, Neriah King, Sophia Prince, Caitlin Thwaites, Sethumi Wickramanayake, Catherine Vogt

- Most Improved: Daisy Elkin
- Players Player: Isabella Alexander-Stewart
- Most Valuable Player: Catherine Vogt

Saints

Amelia Boutead, Stella Cameron, Violet Creighton, Chloe Gallagher, Eva Janssen, Katie Lynn, Tayla Marshall, Sasha Smith

- Most Improved: Katie Lynn
- Players Player: Amelia Boustead
- Most Valuable Player: Stella Cameron

Year 7/8

For many girls, this was their first season playing hardball cricket, both teams had amazing seasons, the Spirit side won the grade. Many girls also competed in CJCA Spring and Summer tournaments, with five of these girls being selected to play for the CJCA side in the South Island Invitational tournament.

Comets

Abby Brokenshire, Greta Brokenshire, Sam Cant, Sophie Dunn, Shimani Saudiyal, Celine Sebastian, Analise Sloan, Sheffali Srivastava, Stella Valentine

- Most Improved: Sam Cant
- Players Player: Abby Brokenshire
- Most Valuable Player: Stella Valentine

Spirit

Ella McNicholl, Maddison Reeves-Smith, Stella Stewart, Anika Tarr (Saint Albans)
Isla Cameron, Emily Dickey, Georgetta Haller, MM Mahendron, Lily Young, Maya Young (Riccarton)

Year 7/8 Girls Hardball grade winners, holders of the Tippen Challenge Shield

- Most Improved: Maddison Reeves-Smith
- Players Player: Ella McNicholl
- Most Valuable Player: Stella Stewart

Signed on behalf of Executive Committee

Date signed 12 August 2021

President

Treasurer

These financial statements are to be read in conjunction with the Notes to the Financial Statements

Notes to the Financial Statements

For the year ended 31 May 2021

Note 1 - Statement of Accounting Policies

St Albans Cricket Club is a non-profit organisation. The financial statements are general purpose and prepared in accordance with generally accepted accounting practice.

Unless otherwise stated the accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on a historical cost basis have been followed.

The entity qualifies for differential reporting because the Club meets the framework for differential reporting as the Club is not publicly accountable and is small. The Club has taken advantage of all differential reporting exemptions.

Changes in accounting policies: There have been no changes in accounting policies which have been applied in basis consistent with those used in previous years.

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied.

Accounts receivable are stated at their estimated realistic value. Debts which are considered uncollectable are written off. There is no other provision for doubtful debts.

Stock on hand - bar supplies has been valued at lower of cost or net realisable value.

Stock on hand - balls has been valued at lower of cost or net realisable value.

Equipment on hand has been valued by the committee.

Sponsorship for services rendered to the club are accounted for as revenue and expense at values approximating the cost of the services provided.

Property, Plant and Equipment are stated at cost less accumulated depreciation. Depreciation has been calculated using the rates shown in the Property, Plant and Equipment Schedule (Note 2). Materials, nets and junior material have not been depreciated as the committee charges all repairs, maintenance and replacements to expenses.

A mortgage security over the pavilion is held by Westpac Banking Corporation. At 31 May 2021 there were no advances drawn against this security (2020 Nil).

Related Party transactions: The Committee are also members of the Club and pay subscriptions on the same basis as other members. Services provided have been supplied on normal commercial terms.

Note 2 - Property, Plant and Equipment

	Cost	Accumulated Depreciation	Depreciation Rate	Opening Book Value	Closing Book Value
As at 31 May 2021					
Pavilion	95,545	59,376	3%	39,035	36,169
Motor Vehicle	3,477	3,477	33%	-	-
Furniture and Plant	39,234	38,750	10% & 33%	538	484
	<u>138,256</u>	<u>101,603</u>		<u>39,573</u>	<u>36,653</u>
As at 31 May 2020					
Pavilion	95,545	56,510	3%	41,909	39,035
Motor Vehicle	3,477	3,477	33%	-	-
Furniture and Plant	39,234	38,696	10% & 33%	649	538
	<u>138,256</u>	<u>98,683</u>		<u>42,558</u>	<u>39,573</u>

Note 3 - Sponsorship

The sponsorship of \$1,250 (2020 \$1,250) is in respect of audit fees.

Note 4 - Capital Commitments

There were no capital commitments at balance date (2020 - nil).

Note 5 - Contingent Liabilities

There were no contingent liabilities at balance date (2020 - nil).

Note 6 - Bank Overdraft Facility

In May 2010 the Club obtained a \$5,000 unsecured bank overdraft facility from Westpac.

Review Report

The Members of the St Albans Cricket Club

I have reviewed the financial statements of St Albans Cricket Club on pages 111 to 114. The financial statements provide information about the past financial performance of the Club and its financial position as at 31 May 2021. This information is stated in accordance with the accounting policies set out in the Clubs annual financial statements on page 114.

Executive Committee's responsibilities

The Executive Committee is responsible for the preparation of financial statements which comply with generally accepted accounting practice in New Zealand and which present fairly the financial position of the Club as at 31 May 2021 and the results of its operations for the year ended on that date.

Reviewer's responsibilities

I am responsible for reviewing the interim financial statements presented by the Executive Committee in order to report to you whether, in my opinion and on the basis of the procedures performed by me, anything has come to my attention that would indicate that the financial statements do not present fairly the matters to which they relate.

Basis of Statement

A review is limited primarily to enquiries of personnel and analytical review procedures applied to financial data and thus providing less assurance than an audit. I have not performed an audit and, accordingly do not express an audit opinion.

I have reviewed the financial statements of the club for the year ended 31 May 2021 in accordance with the Review Engagement Standards issued by the New Zealand Institute of Chartered Accountants. These standards require that we plan and perform the review to obtain moderate assurance as to whether the statements are free from material misstatement whether caused by fraud or error. I also evaluate the overall adequacy of the presentation of information in the financial statements.

Other than my capacity as a reviewer, I have no relationship or interest in the Club.

Statement of review findings

Based on my review nothing has come to my attention that causes me to believe that the accompanying financial statements, set out on pages 111 to 114, do not fairly present the financial position of the Club as at 31 May 2021 and its financial performance for the year ended on that date in accordance with generally accepted accounting practice in New Zealand.

My review was completed on the 26 June 2021 and my findings are expressed as at that date.
